## Experian Credit Score

**Business Credit Scores range from a low of 1 to high of 100 with this company receiving a score of 60.**

Higher scores indicate lower risk. This score predicts the likelihood of serious credit delinquencies within the next 12 months. This score uses tradeline and collections information, public filings as well as other variables to predict future risk.

Score Range	Risk Level
1-10	High Risk
11-25	Medium to High Risk
26-50	Medium Risk
51-75	Low to Medium Risk
76-100	Low Risk

Business Credit Score is calculated by a statistically derived algorithm, designed to determine risk based on multiple factors including:

- Credit: Number of trade experiences, balances outstanding, payment habits, credit utilization and trends over time
- Public Records: Recency, frequency and dollar amounts associated with liens, judgments or bankruptcies
- Demographic Information: Years on file, Standard Industrial Classification (SIC) code and business size
